

Joaquin ISD Insurance Information

The Joaquin High School Administration and Board of Education are excited to introduce our 1:1 Google Chromebook initiative for 2016-2017. Each Joaquin High School student will receive a Google Chromebook to use for the school year. Just like a textbook, these devices are the responsibility of the students on and off campus.

As with any district-owned property (technological or otherwise), the Google Chromebooks should be handled with care regardless of where they are used. With this in mind, Joaquin High School is offering an insurance option for your device.

Insurance Information:

Cost of Insurance - \$25 Due Upon Receiving of Device and Non-refundable.

<i>Incident</i>	<i>Damage</i>	<i>Student Cost</i>
<i>1st</i>	<i>Accidental</i>	<i>\$25 Co-Pay</i>
<i>2nd</i>	<i>Accidental</i>	<i>\$25 Co-Pay</i>
<i>3rd</i>	<i>Accidental</i>	<i>\$50 Co-Pay</i>
<i>4th (beyond)</i>	<i>Accidental</i>	<i>Cost of Repair</i>

Students who choose not to insure their device, incur the entire payment required for JISD to repair or replace the device including shipping and handling.

Please Circle Yes or No that applies to your preference:
