Needs Assessment Summary

Joaquin High School received a State Accountability Rating of Met Standard from TEA in 2017. The Met Standard Rating requires that the campus met or exceeded the target score on Student Achievement and/or Student Progress, Closing Performance Gaps and Postsecondary Readiness.

Student Strengths and Needs:

Note: Passing Rates on the STAAR tests in 2017 were at Level II.

Reading/ELA: 64% of All Students met the passing standard in Reading. Passing rates for other subgroups ranged from 67% for White students to 52% for Hispanic students.

Math: 83% of All Students met the passing standard in Math. Passing rates for other subgroups ranged from 85% for Economically Disadvantaged students to 79% for White students.

Science: Results of the STAAR Biology EOC exam are not reported due to small numbers to protect student confidentiality.

Social Studies: 83% of All Students met the passing standard in Social Studies. Passing rates for other subgroups ranged from 92% for White students to 75% for Economically Disadvantaged students.

Interventions:

Joaquin High School has several programs in place to address the identified needs of its students. Supplemental remediation classes are available for students who need additional assistance in English Language Arts and Math. Supplemental Tutorials are provided before and after school to students in any subject area who are at risk of failing either a class or an End of course exam. A teacher facilitated computer lab is available for credit recovery.

Faculty and Staff:

Professional development is encouraged for the staff, particularly focusing on areas where students are not performing to district expectations, such as Math and Science. Local and supplemental funds provide opportunities for travel to conferences, as well as stipends for attendance outside of duty hours. Stipends are available in certain core subject areas to encourage staff retention.

Attendance:

Overall attendance rates went up slightly in 2015 as the attendance rate at Joaquin High School for all students was at 94.0%, a small increase from the previous year. Two student groups – African American and Hispanic students saw slight decreases in attendance rates. The campus has several activities in place that are designed to encourage attendance.

Dropout Rate:

The dropout rate at Joaquin High School for 2014-2015 was at 0.9% for all students. Several programs, including parental involvement activities and counseling programs are in place to ensure the campus dropout rate continues to decrease.
