Dear Parent,

Joaquin High School tenth graders will be taking the **PLAN** test on **Friday, October 1, 2010** at 8:15AM in the cafeteria.

The **PLAN** program helps 10th graders build a solid foundation for future academic and career success and provides information needed to address school districts' high-priority issues. It is a comprehensive guidance resource that helps students measure their current academic development, explore career/training options, and make plans for the remaining years of high school and post-graduation years.

PLAN can help all students—those who are college-bound as well as those who are likely to enter the workforce directly after high school.

As a “pre-ACT” test, **PLAN** is a powerful predictor of success on the ACT. At the same time, many schools recognize the importance of **PLAN** testing for all students, as it focuses attention on both career preparation and improving academic achievement.

If you have any questions, please call at 936-269-3127 (423).

Sincerely,

Wanda Scruggs
Joaquin ISD Counselor
